

## I Love Dogs

By Jason

I am grateful for having a dog. I love my dog a lot because he is my best friend. We like to play fetch and I like to walk him. And I know he loves me because he licks me.

## Police

by Jason

I am happy that we have police to keep us safe. And let nothing happen to us. And a police is an every day hero because they keep us safe every day. Everybody should be happy to have police to be there every day just to keep us safe.
